

Attention FDA

5031 '00 MAR 21 A9:47

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

① No, ② yes if I have to have an exam
FDA should pay for the exam

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I have had a bad test in an Ear-nose and throat doctors office.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

The FDA should not take away my Constitutional Right to decide for myself my medical exams and treatment

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes I should be allowed to purchase hearing aids by mail as I choose,
